Languages

- English (Fluent)
- Mandarin (Native)
- Cantonese (Conversational)
- Malay (Conversational)

HOBIES

- Basketball
- Swimming
- Gaming
- Plastic model building
- Fragrance collecting

SUMMARY

Computer science student seeking an internship in IT or data-related roles, with strong analytical thinking, attention to detail, and a structured approach to problem-solving developed through academic studies. Experience in high-traffic retail and hospitality environments has strengthened communication skills, professionalism, and effectiveness in fast-paced, team-based settings. Regular interaction with diverse stakeholders has developed the ability to respond to issues efficiently and remain composed under pressure. Background as a competitive athlete has reinforced a disciplined and adaptable mindset, with strong motivation to apply technical knowledge in a practical setting and contribute as a reliable and motivated intern.

WORK EXPERIENCE

Sales Associate (Perfumes)

Myer

2025 October - Present

- Delivered personalised customer service in a flagship store environment with high daily foot traffic.
- Handled customer enquiries, complaints, and exchanges professionally and efficiently.
- Customer engagement & relationship building.
- Tracked and reviewed daily sales performance against targets to support team sales objectives, and manage inventory.
- Applied structured questioning to gather customer preference information.
- Demonstrated in-depth product knowledge of fragrance families, notes, and brand stories.
- Assisted with stock replenishment, inventory control, and loss prevention.

Kitchen Steward

Calia Grill

2023 February - 2023 December

- Trained and onboarded 3+ new team members, ensuring compliance with kitchen procedures and safety standards.
- Organised and managed cleaned dishes and equipment to support efficient kitchen workflow during peak service.
- Assisted chefs in food preparation, including chopping, slicing, and portioning ingredients.
- Adhered to safety procedures within the kitchen.
- Preparation of charcoal using furnaces to safely deliver charcoal to customers for BBQ.
- Coordinated with both Back of House and Front of House team.

Animal Keeper Intern

Sunway Lagoon Malaysia

2019 July (1 week internship)

- Prepared and administered animal feeding according to established schedules.
- Maintained clean and organised enclosures, materials, and supplies following safety standards.
- Worked alongside experienced team members to learn animal care procedures and workplace responsibilities.
